Yes

**Question 2:Do you agree with the proposed approach for Business Radio assignments?:**

Yes

**Question 3:Do you agree with the proposal to allocate spectrum for Maritime and/or Land Search and Rescue use?  
:**

Yes

**Question 4:Do you agree with the proposal to make some spectrum not currently assigned to other applications available on a temporary for Amateur Radio use with these restrictions?:**

Yes, this will enable temporary alignment with International Telecommunication Union region Region 2 which covers the Americas, Greenland and some of the eastern Pacific Islands.

This would enable further experimentation with VHF Propagation. Cube Sats will also require additional space within the VHF spectrum.
