Details of requested change(s) to Key Commitments

A community radio operator may apply to Ofcom to have the station's Key Commitments amended.

Please complete the table overleaf by including your current Commitment in the left hand column and your proposed revised Commitment in the centre column. In the right hand column please give a brief explanation as to why you wish to make each change.

We also require you to complete a second table which asks you to explain your proposed changes with reference to the statutory framework.

If you do not provide an explanation for your proposed changes and a completed comparison table, Ofcom cannot consider a Key Commitments change.

Please complete this form and return it to: broadcast.licensing@ofcom.org.uk

Existing Commitment (as in your published Key Commitments) Please only include one commitment change per row, and add more rows as necessary into the table.	Proposed revised/new Key Commitment	Reason for proposed change
Speech. The main types of speech output broadcast over the course of each week are: a daily LGBTnews bulletin and a weekly local magazine-style show.	Speech: The main types of speech broadcast over the course of each week are: a daily LGBT focussed programme and topics of interest to the target and wider communities.	We feel that a daily news bulletin is a disservice to the community and feel that a daily issues based programme would be of greater benefit and provide more flexibility for discussion.

Statutory requirements

Under section 106(1A)(a)-(f) of the Broadcasting Act 1990 (as amended and modified¹) Ofcom must be satisfied that your proposed changes **meet at least one of the criteria referred to below**.

Please indicate which of these criteria you believe your proposed changes satisfy by deleting YES or NO as applicable and provide an explanation for why you consider a particular criterion is met in the relevant box. You should note that even if Ofcom is of the opinion that your explanation of your proposed changes meets one or more of these criteria, there may still be reasons why Ofcom is unable to consent to the change. When explaining your proposed changes, it is not enough to state that you believe one of the criteria is met. You must also demonstrate *why* you consider that at least one of these criteria is met.

In particular, if Ofcom is not satisfied that the changes would not substantially alter the character of the service (criterion (a) below), Ofcom cannot consent to the change without consulting on your proposals.² If this is the case, we will contact you to confirm that you are happy for us to consult on your proposed changes, and whether you wish to make any changes to your request in light of the need to make it public.

As part of our consideration of your request to make changes to your Key Commitments, we require applicants to provide an explanation for **at least one** of the criteria below.

(a) In your judgement would the proposed changes substantially alter the character of the service?	YES/NO (Please explain why below)
We do not feel that the changes are significant enough to change anything we are currently doing or plan to do	
(b) Do you consider that the proposed changes would narrow the range of programmes available by way of relevant independent radio services to persons comprising the relevant community?	YES/NO (Please explain why below)
We do not feel that this would narrow the range of programmes available, if anything this enhances our commitment to the community.	
(c) Do you believe that there is evidence that, amongst persons comprising that community, there is a significant demand for, or significant support for, the changes that you have proposed?	YES/NO (Please explain why below)
After conducting research during a recent community focussed event and conversing with a number of key local individuals and organisations, it is clear that this key commitment change would be welcomed.	

¹ As amended by sections 312 and 313 of the Communications Act 2003 and modified by the Community Radio Order 2004.

² Ofcom may approve a change under any of criteria (b), (c), (d) and (e) without consultation, or after a consultation of less than 28 days, if Ofcom considers that to hold a consultation at all, or for 28 days or more, would result in a delay that would be likely to prejudice the interests of the licensee. Ofcom may also remove for the purposes of consultation any confidential information submitted by the licensee.

<p>(d) Do you consider that your proposed changes would be prejudicial to the access by members of that community to the facilities used for the provision of the service and for training in the use of those facilities?</p>	<p>YES/NO (Please explain why below)</p>
<p>We do not believe there is anything in our KC Change Request that would impact this.</p>	
<p>(e) Do you consider that the proposed changes would be prejudicial to the delivery of social gain resulting from the provision of the service provided under your licence?</p>	<p>YES/NO (Please explain why below)</p>
<p>We feel that this small change will allow us to focus on more involvement of an increased number of volunteers in content gathering and production.</p>	

<p>Please set out below any additional information and/or evidence you wish to provide in support of your proposed changes. In particular, you may wish to outline how you think your proposed change(s) fit(s) within Ofcom's published guidance on changes to Key Commitments</p>
<p>These changes are necessary to allow us to focus effort where we can bring the most benefit to our target community</p>

Data Protection

We require the information requested in this form in order to carry out our licensing duties under the Broadcasting Act 1990, Broadcasting Act 1996 and Communications Act 2003. Please see Ofcom's [General Privacy Statement](#). for further information about how Ofcom handles your personal information and your corresponding rights.

Ofcom notes on the request

The request was AGREED, because Ofcom was satisfied in relation to Section 106(1A)(a) of the Broadcasting Act 1990 (as modified by the Community Radio Order 2004, and further modified by the Community Radio (Amendment) Orders 2010 and 2015) i.e. that the change would not substantially alter the character of the service, and for the policy reasons given below.

The Licensee has requested to change the requirements on its speech output, removing the requirement to broadcast a daily LGBT news bulletin, and instead broadcasting a daily LGBT focussed programme as well as topics of interest to the LGBT and wider community. Ofcom agrees with the Licensee's assertion that this change will allow for more flexibility in encouraging discussion and engagement with the service from within its target community. We also believe that this change would not substantially alter the character of the service, and that the service would remain one targeting the LGBT community in Belfast. In introducing an additional daily programme to the service, the overall character will not substantially change.

In terms of our policy criteria, Ofcom is satisfied that this change will not affect the station's ability to meet the community radio 'characteristics of service' set out in the legislation, and for the reasons set out above, we judge the extent of the impact of the change on the character of service to be low. We therefore decided to exercise our discretion to approve this change.
