Managing your personal details online

Changing personal details

- When you log in click on **Manage personal details** found on the left side of the screen

Manage personal details

In this section you have the ability to:

- Change your password
- Change your email address (which becomes your new username)
- Change/add your address and Telephone number

When you have made the necessary changes, click on **Update**

How to take over the management of licences

- Under **My contact types**, click **Take over contacts**

My contact types

Licence Contact for Example Company **2 licences**
Billing Contact for Example Company **2 licences**

Manage my contact types

Take over contacts

- Enter the customer reference number of the licensee then click **Next**

- Enter the licence number then click **Add**
If you wish to take over multiple licences, you can add the other licences here. You can only add licences that are for the same licensee.

- Select or enter your contact information then click **Next**
- Select which contact type you will take over from the drop down list
- Confirm the changes by clicking OK

How to change contacts from yourself to someone else

- Under **My licences**, click **View my licences**
- Hover over the relevant licence and select **Manage contacts**

Product Type	Issue Date
Business Radio Simple UK Licence	12/12/2016
View Surrender Manage contacts	

- Select the contact type you want to change from the drop down list
- Select who will be the new contact from the drop down list then click **Next**
- Enter or confirm the contact information
*You can complete these actions for multiple licences by using the **Bulk actions** option under **My licences**.*
