

Representing:

Self

Organisation (if applicable):

What do you want Ofcom to keep confidential?:

Keep name confidential

If you want part of your response kept confidential, which parts?:

Ofcom may publish a response summary:

Yes

I confirm that I have read the declaration:

Yes

Ofcom should only publish this response after the consultation has ended:

You may publish my response on receipt

Question 1: Do you agree with our analysis of consumer detriment on the 070 number range?:

No

Question 2: Do you agree that the costs outweigh the benefits in relation to closing the 070 number range and migrating users to an alternative range?:

No

Question 3: Do you agree that Ofcom should keep the 070 range open and monitor the market in light of enforcement action by PhonepayPlus?:

No

Question 4: Do you agree that Ofcom should require OCPs to give greater prominence to the cost of calling 070 numbers in published price lists and promotional material?:

Yes, but would be better for it to be on something else not deliberately confusing to the consumers!

Question 5: Do you agree that Ofcom should amend its guidance to ensure that PNS providers carry out appropriate due diligence of sub-allocatees of personal numbers?:

Yes, but I doubt they ever will - just look at the cowboys we still get operating 09 numbers!

Question 6: Do you agree that Ofcom should not bar the presentation of 070 CLI? Please provide evidence to support your response:

Yes. CLI is essential so that people can look up who has called them (including if it is a scam, they can look up the organisation that has allocated the number).

Question 7: Should services provided by, for example, Hospedia, Premier Telesolutions and Trader Media be provided on an alternative number range to 070? Please provide any evidence to support your views.:

Yes. Premium rate services and personal numbers should never have been mixed together because it has totally destroyed the reputation of personal numbering.

Question 8: Do you agree that Ofcom should withdraw formally the requirement for pre-call announcements on 070 Personal Numbers?:

No!

Additional comments:

Please please please, don't give in to a handful of people who are getting rich out of this scam!!!! You're supposed to be protecting the consumers. EVERY SINGLE CALL I have EVER had from an 070 number was a SCAM!!!!!!
