

Request for information

Thank you for your request for information dated 4 January for data from Ofcom's publication Strategic Review of UHF Band 1 and Band 2 410 to 470 MHz. This has been considered under the Freedom of Information Act 2000.

You asked:

Please could Ofcom provide data in a similar format to that illustrated in Figures 3 & 4 in the consultation document for:

- * at least five of the monitoring sites from Fife to Colchester; for*
- * the whole band from 410-470 MHz; for*
- * at least six months of 2016.*

I am pleased to confirm that we are able to release the data you have asked for. We only have data for 4 sites rather than the 5 you requested. As you may appreciate this is a large file so we will be transferring the data to you via our managed file service MFT. This will be done by my colleagues in a separate communication.

I hope this information is helpful.

Kind regards

Julia
