

**Q1 Do you agree with Ofcom's view that the proposed non-emergency healthcare service represents a justified use of a three-digit number? Please give reasons for your views. :**

Yes. Access to an easily remembered number will encourage people to use the service when finding a regular number may be difficult or impossible

**Q2 Do you agree with the DHs view that:**

B) of the three-digit numbers available, 111 is the best option?**

**Please give reasons for your views. :**
