Q16A Delivery - Rating on statement - Its programmes help me understand what's going on in the world today
How would you rate ALL the following channels combined: All the BBC channels, BBC Alba (SCOTLAND ONLY), ITV, S4C (WALES ONLY), Channel 4 and Channel Five on this statement (on a scale of 1 to 10 where 10 is the highest score and 1 the lowest)?
Base : All watching at least one channel asked about, regularly or occasionally

\section*{J22621 PSB Tracker 2016 W1/W2}

Q16B Delivery - Rating on statement - It's news programmes are trustworthy
How would you rate ALL the following channels combined: All the BBC channels, BBC Alba (SCOTLAND ONLY), ITV, S4C (WALES ONLY),
Channel 4 and Channel Five on this statement (on a scale of 1 to 10 where 10 is the highest score and 1 the lowest)?
Base : All watching at least one channel asked about, regularly or occasionally

Q16C Delivery - Rating on statement - It shows interesting programmes about history, science or the arts
How would you rate ALL the following channels combined: All the BBC channels, BBC Alba (SCOTLAND ONLY), ITV, S4C (WALES ONLY),
Channel 4 and Channel Five on this statement (on a scale of 1 to 10 where 10 is the highest score and 1 the lowest)?
Base : All watching at least one channel asked about, regularly or occasionally

Q16C Delivery - Rating on statement - It shows interesting programmes about history, science or the arts
How would you rate ALL the following channels combined: All the BBC channels, BBC Alba (SCOTLAND ONLY), ITV, S4C (WALES ONLY),
Channel 4 and Channel Five on this statement (on a scale of 1 to 10 where 10 is the highest score and 1 the lowest)?
Base : All watching at least one channel asked about, regularly or occasionally

Q16D Delivery - Rating on statement - It shows high quality soaps or dramas made in the UK
How would you rate ALL the following channels combined: All the BBC channels, BBC Alba (SCOTLAND ONLY), ITV, S4C (WALES ONLY),
Channel 4 and Channel Five on this statement (on a scale of 1 to 10 where 10 is the highest score and 1 the lowest)?
Base : All watching at least one channel asked about, regularly or occasionally

Q16A4 Delivery - Rating on statement - It shows high quality comedy made in the UK
How would you rate ALL the following channels combined: All the BBC channels, BBC Alba (SCOTLAND ONLY), ITV, S4C (WALES ONLY),
Channel 4 and Channel Five on this statement (on a scale of 1 to 10 where 10 is the highest score and 1 the lowest)?
Base : All watching at least one channel asked about, regularly or occasionally

\section*{J22621 PSB Tracker 2016 W1/W2}

Q16E Delivery - Rating on statement - It portrays my region/Scotland/Wales/Northern Ireland fairly to the rest of the UK
How would you rate ALL the following channels combined: All the BBC channels, BBC Alba (SCOTLAND ONLY), ITV, S4C (WALES ONLY),
Channel 4 and Channel Five on this statement (on a scale of 1 to 10 where 10 is the highest score and 1 the lowest)?
Base : All watching at least one channel asked about, regularly or occasionally

\section*{J22621 PSB Tracker 2016 W1/W2 \\ Fieldwork dates : May/June Oct/Nov 2016}

Q16B4 Delivery - Rating on statement - It shows different parts of the UK, including England, Northern Ireland, Scotland and Wales
How would you rate ALL the following channels combined: All the BBC channels, BBC Alba (SCOTLAND ONLY), ITV, S4C (WALES ONLY),
Channel 4 and Channel Five on this statement (on a scale of 1 to 10 where 10 is the highest score and 1 the lowest)?
Base : All watching at least one channel asked about, regularly or occasionally

Unweighted Base

}

Q16B4 Delivery - Rating on statement - It shows different parts of the UK, including England, Northern Ireland, Scotland and Wales
How would you rate ALL the following channels combined: All the BBC channels, BBC Alba (SCOTLAND ONLY), ITV, S4C (WALES ONLY), Channel 4 and Channel Five on this statement (on a scale of 1 to 10 where 10 is the highest score and 1 the lowest)?

Base : All watching at least one channel asked about, regularly or occasionally

Q16F Delivery - Rating on statement - Its programmes show different kinds of cultures within the UK
How would you rate ALL the following channels combined: All the BBC channels, BBC Alba (SCOTLAND ONLY), ITV, S4C (WALES ONLY),
Channel 4 and Channel Five on this statement (on a scale of 1 to 10 where 10 is the highest score and 1 the lowest)?
Base : All watching at least one channel asked about, regularly or occasionally

\section*{J22621 PSB Tracker 2016 W1/W2}

Q16F Delivery - Rating on statement - Its programmes show different kinds of cultures within the UK
How would you rate ALL the following channels combined: All the BBC channels, BBC Alba (SCOTLAND ONLY), ITV, S4C (WALES ONLY),
Channel 4 and Channel Five on this statement (on a scale of 1 to 10 where 10 is the highest score and 1 the lowest)?
Base : All watching at least one channel asked about, regularly or occasionally

Q16G Delivery - Rating on statement - It shows well-made, high quality programmes
How would you rate ALL the following channels combined: All the BBC channels, BBC Alba (SCOTLAND ONLY), ITV, S4C (WALES ONLY),
Channel 4 and Channel Five on this statement (on a scale of 1 to 10 where 10 is the highest score and 1 the lowest)?
Base : All watching at least one channel asked about, regularly or occasionally

\section*{J22621 PSB Tracker 2016 W1/W2}

Q16H Delivery - Rating on statement - It shows programmes with new ideas and different approaches
How would you rate ALL the following channels combined: All the BBC channels, BBC Alba (SCOTLAND ONLY), ITV, S4C (WALES ONLY),
Channel 4 and Channel Five on this statement (on a scale of 1 to 10 where 10 is the highest score and 1 the lowest)?
Base : All watching at least one channel asked about, regularly or occasionally

}

Q16H Delivery - Rating on statement - It shows programmes with new ideas and different approaches
How would you rate ALL the following channels combined: All the BBC channels, BBC Alba (SCOTLAND ONLY), ITV, S4C (WALES ONLY),
Channel 4 and Channel Five on this statement (on a scale of 1 to 10 where 10 is the highest score and 1 the lowest)?
Base : All watching at least one channel asked about, regularly or occasionally

Q16J Delivery - Rating on statement - It shows new programmes, made in the UK
How would you rate ALL the following channels combined: All the BBC channels, BBC Alba (SCOTLAND ONLY), ITV, S4C (WALES ONLY),
Channel 4 and Channel Five on this statement (on a scale of 1 to 10 where 10 is the highest score and 1 the lowest)?
Base : All watching at least one channel asked about, regularly or occasionally

Q17B Importance - Rating on statement - It's news programmes are trustworthy
How important do you think it is in general, that all those TV channels combined do this on a scale of 1 to 10,
where 10 means "extremely important" and 1 is "not at all important"?

Q17B Importance - Rating on statement - It's news programmes are trustworthy
How important do you think it is in general, that all those TV channels combined do this on a scale of 1 to 10 ,
where 10 means "extremely important" and 1 is "not at all important"?
Base : All

Q17C Importance - Rating on statement - It shows interesting programmes about history, science or the arts
How important do you think it is in general, that all those TV channels combined do this on a scale of 1 to 10,
where 10 means "extremely important" and 1 is "not at all important"?
Base : All

Q17D Importance - Rating on statement - It shows high quality soaps or dramas made in the UK
How important do you think it is in general, that all those TV channels combined do this on a scale of 1 to 10,
where 10 means "extremely important" and 1 is "not at all important"?
Base : All

Unweighted Base

Q17D Importance - Rating on statement - It shows high quality soaps or dramas made in the UK
How important do you think it is in general, that all those TV channels combined do this on a scale of 1 to 10 ,
where 10 means "extremely important" and 1 is "not at all important"?

Q17A4 Importance - Rating on statement - It shows high quality comedy made in the UK
How important do you think it is in general, that all those TV channels combined do this on a scale of 1 to 10,
where 10 means "extremely important" and 1 is "not at all important"?
Base : All

Q17F Importance - Rating on statement - Its programmes show different kinds of cultures within the UK
How important do you think it is in general, that all those TV channels combined do this on a scale of 1 to 10 ,
where 10 means "extremely important" and 1 is "not at all important"?
Base : All

Unweighted Base

Q17F Importance - Rating on statement - Its programmes show different kinds of cultures within the UK
How important do you think it is in general, that all those TV channels combined do this on a scale of 1 to 10,
where 10 means "extremely important" and 1 is "not at all important"?
Base : All

\section*{Unweighted Base}

Q17G Importance - Rating on statement - It shows well-made, high quality programmes
How important do you think it is in general, that all those TV channels combined do this on a scale of 1 to 10 ,
where 10 means "extremely important" and 1 is "not at all important"?

Q17H Importance - Rating on statement - It shows programmes with new ideas and different approaches
How important do you think it is in general, that all those TV channels combined do this on a scale of 1 to 10,
where 10 means "extremely important" and 1 is "not at all important"?

Q17C4 Importance - Rating on statement - The style of the programmes is different to what I'd expect to see on other channels How important do you think it is in general, that all those TV channels combined do this on a scale of 1 to 10
where 10 means "extremely important" and 1 is "not at all important"?

Q17J Importance - Rating on statement - It shows new programmes, made in the UK
How important do you think it is in general, that all those TV channels combined do this on a scale of 1 to 10 ,
where 10 means "extremely important" and 1 is "not at all important"?
Base : All

Q17L Importance - Rating on statement - Its regional news programmes provide a wide range of good quality news about my area How important do you think it is in general, that BBC1 and ITV combined do this on a scale of 1 to 10
where 10 means "extremely important" and 1 is "not at all important"?
Base : All
