Freedom of Information: Right to know request

Thank you for your request for information in relation to Public Service Broadcasting Tracker data. We received this request on 5 December 2022. We have considered it under the Freedom of Information Act 2000 (the “FOI Act”).

Your request

I would like to make a FOI request to for Public Service Broadcasting Tracker data. The following page contains summary tables for the 2014-2018 surveys, and the raw data for the 2019 wave, but with no codebook ([Public Service Broadcasting Tracker - data.gov.uk](https://data.gov.uk)) .

Are the raw data available for the Public Service Broadcasting Tracker for the period 2014-2019, at the individual level, with either labels included with the question wording, or the coding scheme included to be able to identify the questions asked?

Our response

Please find attached to this response copies of the questionnaire for the years 2014 to 2019, and two data files, one for 2018, and the other covering 2014-2017, though this also includes data going back to 2011.

I hope this information is helpful. If you have any queries, then please contact information.requests@ofcom.org.uk. Please remember to quote the reference number above in any future communications.

Yours sincerely,

Temiloluwa Dawodu
