Hello again,

Suggest we put the document under the headline 'Compliance Resources' as OSA Explained June 2025. We can then also link to the Youtube Extra videos there? Assuming this is where the new dating hub page will go too, alongside the gaming resource?

We could note that the publication of this document and links was part of our latest website refresh?

+ OSA Explained Event June 2025 + Dating: [title]

- Paragraph intro + links to Youtube videos and the FAQ document?

[Guide for services: complying with the Online Safety Act](#)

Best wishes,

Hi [REDACTED],

This is the email chain with [REDACTED]. For context, if you remember we had a plan to update the blog with some of this information, however this got deprioritised when we got really busy. And we didn't follow up with [REDACTED] after this email.

[REDACTED], [REDACTED] suggested we publish this document now on the website; I will take a look today and we can pick up tomorrow on when you are back where it might fit?
