Dear [REDACTED] and [REDACTED]

I hope you're both well.

Would you be so kind as to bring my email to [REDACTED] attention, please? I've added [REDACTED], who can help set up a meeting.

.....

Dear [REDACTED]

I hope you're well.

Our Director of Illegal Harms, [REDACTED], the Public Policy and Partnerships team, and I are keen to meet with you to discuss the specific issue of Adult Service Websites. We'd like to explore how we can work effectively with the Inquiry and understand what outcomes would be most useful in shaping our approach to this area.

As discussed at the Online Safety event on Human Trafficking and Sexual Exploitation held on 29th May, where you presented, the Harms team is working closely with external partners to deepen our understanding of the online dimensions of adult sexual exploitation.

We'll be happy to coordinate a suitable time. We're also keen for you to speak with our Group Director, [REDACTED], following this initial conversation, to support senior-level alignment and engagement on this important issue.

Best wishes,

[REDACTED]
