Hi [REDACTED]
Yeah no one has mentioned anything to me either, so safe to say we haven't got anything on this!

Hi [REDACTED]

I assume it would be safe to say silence means no one has anything? If so I will go ahead and finalise this request.

Thanks

Hi all – sorry for mass email, there’s an FOI request for any contact with DCMS about The Crown series on Netflix between Jan 2020 and Jan 2022. I don’t see where it would be relevant to our work but on the off chance you’ve got anything please contact █ (cc’d).

Thanks

Hi █

█ has said you might be able to help me out here. Regarding the FOI below, are you able to confirm that Policy has not had any contact with the Dept of Culture Media and Sport regarding the Netflix show The Crown?

Thanks

Hi █ The Crown is broadcast on Netflix which falls outside our current jurisdiction. We’ve got 7 complaints about the series on record which were all closed as outside of remit in the specified date range, but in terms of comms between Ofcom and DCMS, as far as my team’s concerned this is a not held. Might be worth checking with contacts in the parliamentary team if they hold anything.

Thanks

Hi [REDACTED]

Are you able to assist with this request?

Under the right of access to documents, I am requesting documents which contain information regarding correspondence between Ofcom and the Department for Culture, Media & Sport (more specifically: Private Office Support) regarding The Crown (the TV series). Starting 1st of January 2020 to 1st of January 2022.

I have set up a folder you/the team can add any relevant correspondence into for legal review. It is highly likely the information would be withheld under s44 but we will need to check to be sure.

The draft response is also here if you have anything to add re context etc.

Let me know if you need anything else.

Thanks
