Hi, I've not heard anything back from CPD team on this so doesn't seem likely!

Hi [REDACTED] and [REDACTED]

Am I able to just get confirmation from you that neither of your teams have had any communication with/from MOJPO regarding the Crown?

Thanks

Thank you both. I agree [REDACTED], our response this time will focus on the searches we have conducted to avoid any potential IRs again.

Thanks

Hi [REDACTED],

Thanks for flagging. Certainly, nothing from the MOJPO has come across my desk.

Hi [REDACTED] – complaints on Salesforce go back to 2020 and I confirm that although we received 6 complaints about The Crown in the requested period, as indicated to the requestor previously, they fell outside our jurisdiction on Netflix and I confirm in any event that there are no records of any correspondence with MOJPO on those cases, nor searching more widely on my team’s Sharepoint for anything related to The Crown or MOJPO. Given the appeal by the requestor to their previous FOI, it’s probably best to focus on us having made relevant searches and found nothing, rather than mention anything about Ofcom remit over Netflix.

I’ve copied [REDACTED] in case he’s aware of anything from his Video On Demand oversight that might be held elsewhere related to any such communications, as it’s not beyond the bounds of possibility for the MOJPO to have contacted us regardless of the jurisdictional issue. It might also be worth checking whether anyone in the Parliamentary Team have anything on this.

Thanks

Hi [REDACTED] and [REDACTED]

You may remember a request in the last month or so requesting correspondence we have had with DSIT regarding The Crown tv series. The same requestor has come back asking for the same information but with MOJPO:

Under the right of access to documents, I am requesting documents which contain information regarding correspondence between Ofcom and the Ministry of Justice Private Office regarding The Crown (the TV series). From 13 November 2020 to 31 December 2020.

Can you please confirm whether your teams have anything relating to this? Also can you confirm what your retention period is – noting this request is for information from 5 years ago it may be worth adding a sentence to this response stating that if we did hold this information we may no longer (of course that is if the retention period is 5 years or less).

Thanks

Hi [REDACTED]

I joined in July 2025 - since then, none that I am aware of (and appreciate this would be out of scope regardless). Apologies to not be more helpful!

Kind regards,
