What additional details do you want to keep confidential?:

Keep name confidential

If you want part of your response kept confidential, which parts?:

Ofcom may publish a response summary:

Yes

I confirm that I have read the declaration:

Yes

Additional comments:

Ofcom should be mandating minimum picture quality standards, especially for PSB broadcasters. Commercial broadcasters will most likely be motivated by profit, and if they can reduce picture quality in order to reduce costs, or in order to release space so that they can launch another stream, they are likely to do that.

Question 1: Do you agree with the proposed amendments to the Television Technical Performance Code?:

Question 2: Do you agree with the proposed modifications to the DTT Reference Parameters?:

Question 3: Do you agree with our proposal not to include an HEVC profile in the Reference Parameters at this stage?:
