

Question 1: Should Chorley FM be permitted to make its proposed changes to the key commitments of Chorley FM, with particular regard to the statutory criteria set out in Section 1 of this consultation document? (Section 106 (1A) of the 1990 Broadcasting Act, as modified by the Community Radio Order 2004).:

The original volunteers & funding for what became Chorley FM were very young at the time. Time has passed so the original volunteers just cannot be classed as under 25 any more. Also, the need for a community radio is better suited to a broad audience taste such as what could be played in town shops.

Playing radical yooof music is not attracting a large enough audience as it does not match the population in the community served.
