**Additional comments:**

Being a licensed Amateur Radio operator for over 30 years I would like to strongly object to parts 7 & 8 of this consultation. The area identifiers are a necessity as far as I am concerned we do not want these identifiers to be stop being used. They tell you where a station is operating and should therefore not be removed, also the point where an identifier is used for the station address regardless of where the person actually is to me is just sheer stupidity. So I want to make my objection perfectly clear in that region identifiers need to be kept.
