Additional comments:

Question 1:Do you agree with the proposal to include, as a matter of course, the 470 kHz and 5 MHz bands into the Licence for all Amateur Radio (Full) licensees?:

No- I do not agree to the change as proposed. I agree that the bands should be made available to all Full Licencees but on a Secondary basis thereby available on the basis of non-interference to other services inside and outside the UK"

Question 2:Do you agree that expressly linking a Full (Club) Licensee?s authorisation to use the spectrum to his or her representation of a named club, and by adding a further ground for revoking the Licence to include circumstances where the licensee no longer represents the club, will help ensure that a club?s call sign remains with the club?:

Yes - I fully support this change.

Question 3:Do you agree that Ofcom should include a further ground of revocation in the Licence as proposed above in order better to align Clause 4 with the definition of ?Disqualified Person??:

Yes - I fully support this change.

Question 4:Do you agree that the word ?automatically? should be removed from Clause 4(5) of the Licence, in relation to the revocation of the Licence for failure to comply with the revalidation requirements?:

Yes - I fully support this change.

Question 5: Do you agree that Clause 15 of the Licence should be updated to reflect the wording included in Ofcom's General Licence Conditions Booklet?:

Yes - I fully support this change.

Question 6: Do you agree that Clause 13 of the Licence should be amended to allow for a simpler, more flexible approach for identifying Amateur Radio stations?:

No - I do not support this change, the current requirement to identify your station every 15 minutes or less is adequate.

Question 7: Given the current uncertainty amongst Radio Amateur licensees in relation to Clause 2(2), do you believe that it would be a practical solution for Ofcom to remove this Clause and to insert additional wording into Clause 13, as proposed above?:

No - I do not agree with the need to this change.
The current system is understood both nationally and internationally.

Any change is likely to cause great confusion.

Question 8: Do you agree with Ofcom's proposal to amend Clause 2(3) of the Licence to require Intermediate licensees to transmit a call sign that reflects the location of their main station?:

No - I disagree with this change - All amateur licence classes should operate in the same way by retaining the current clause in respect of the call sign prefix'

Question 9: Do you agree that replacing Clauses 2(1) and 16(1) with a new Clause to simplify and bring together all of the licence conditions relating to the operation of radio equipment away from the Main Station address will make these provisions clearer?:

Yes - I agree with this change.

Question 10: Do you agree that the proposed changes will clarify RAYNET operation under the Licence?:

Yes - I fully agree and support this change.
