**Additional comments:**

As an older radio Amateur of some years I will answer questions to the best of my ability and hope they prove usefull to all concerned.

**Question 1:Do you agree with the proposal to include, as a matter of course, the 470 kHz and 5 MHz bands into the Licence for all Amateur Radio (Full) licensees?:**

Yes have enjoyed the 5Mhz Band very much. All so experminting with diffrent aerials.

**Question 2:Do you agree that expressly linking a Full (Club) Licensee?s authorisation to use the spectrum to his or her representation of a named club, and by adding a further ground for revoking the Licence to include circumstances where the licensee no longer represents the club, will help ensure that a club?s call sign remains with the club?:**

No comment I don't belong to a radio club now.

**Question 3:Do you agree that Ofcom should include a further ground of revocation in the Licence as proposed above in order better to align Clause 4 with the definition of ?Disqualified Person??:**

Yes

**Question 4:Do you agree that the word ?automatically? should be removed from Clause 4(5) of the Licence, in relation to the revocation of the Licence for failure to comply with the revalidation requirements?:**

Yes

If you don't comply then you loose it keep to the rules and enjoy the spectrum.

**Question 5:Do you agree that Clause 15 of the Licence should be updated to reflect the wording included in Ofcom?s General Licence Conditions Booklet?:**

Yes

**Question 6:Do you agree that Clause 13 of the Licence should be amended to allow for a simpler, more flexible approach for identifying Amateur Radio stations?:**

Leave well alone in my opinion you shoul allways give your call sign at least every 15 mins I dont see the problem, I am proud to give my call sign I earnt it.

**Question 7:Given the current uncertainty amongst Radio Amateur licensees in relation to Clause 2(2), do you believe that it would be a practical solution for Ofcom to remove this Clause and to insert additional wording into Clause 13, as proposed above?:**

If things are clearer and more understandable then yes

**Question 8:Do you agree with Ofcom?s proposal to amend Clause 2(3) of the Licence to require Intermediate licensees to transmit a call sign that reflects the location of their main station?:**

Yes as I have said your call sign should allways be given

**Question 9:Do you agree that replacing Clauses 2(1) and 16(1) with a new Clause to simplify and bring together all of the licence conditions relating to the operation of radio equipment away from the Main Station address will make these provisions clearer?:**

Anything thats makes things clearer I think would be most welcome in this ever changing World and its complications.

**Question 10:Do you agree that the proposed changes will clarify RAYNET operation under the Licence?:**

I can't answer that I don't know enough about Raynet.
