

**Title:**

Mr

**Forename:**

John Edward

**Surname:**

Randall

**Representing:**

Self

**Organisation (if applicable):**

**Email:**

**What additional details do you want to keep confidential?:**

No

**If you want part of your response kept confidential, which parts?:**

**Ofcom may publish a response summary:**

Yes

**I confirm that I have read the declaration:**

Yes

**Additional comments:**

**Question 1: Do you agree with the proposal to include, as a matter of course, the 470 kHz and 5 MHz bands into the Licence for all Amateur Radio (Full) licensees?:**

NO - only with the following changes to the draft.

Paragraph 2.26.3 - This implies that we are not to cause interference to any electronic equipment. This has never been the case and this clause should be removed.

No - Paragraph 2.26.6 - near field measurements at the power levels we are permitted are irrelevant and of no use and probably very difficult to obtain true readings and should be removed.

**Question 2:Do you agree that expressly linking a Full (Club) Licensee's authorisation to use the spectrum to his or her representation of a named club, and by adding a further ground for revoking the Licence to include circumstances where the licensee no longer represents the club, will help ensure that a club's call sign remains with the club?:**

yes

**Question 3:Do you agree that Ofcom should include a further ground of revocation in the Licence as proposed above in order better to align Clause 4 with the definition of 'Disqualified Person':**

yes

**Question 4:Do you agree that the word 'automatically' should be removed from Clause 4(5) of the Licence, in relation to the revocation of the Licence for failure to comply with the revalidation requirements?:**

yes

**Question 5:Do you agree that Clause 15 of the Licence should be updated to reflect the wording included in Ofcom's General Licence Conditions Booklet?:**

yes

**Question 6:Do you agree that Clause 13 of the Licence should be amended to allow for a simpler, more flexible approach for identifying Amateur Radio stations?:**

NO - I believe that the current regulations should be enforced as they are.

**Question 7:Given the current uncertainty amongst Radio Amateur licensees in relation to Clause 2(2), do you believe that it would be a practical solution for Ofcom to remove this Clause and to insert additional wording into Clause 13, as proposed above?:**

No, no need to change these regulations.

**Question 8:Do you agree with Ofcom's proposal to amend Clause 2(3) of the Licence to require Intermediate licensees to transmit a call sign that reflects the location of their main station?:**

no changes to the current clause

**Question 9:Do you agree that replacing Clauses 2(1) and 16(1) with a new Clause to simplify and bring together all of the licence conditions relating to**

**the operation of radio equipment away from the Main Station address will make these provisions clearer?:**

no

**Question 10:Do you agree that the proposed changes will clarify RAYNET operation under the Licence?:**

yes
