

## Your response

Question	Your response
<p><b>Question 1: Do you agree with the proposal to license drone equipment rather than to licence exempt? If you disagree, please provide the evidence that would support any disagreement with the proposals.</b></p>	<p>Yes, in general.</p>
<p><b>Question 2: Do you agree with the on the proposed authorisation approach for UAS? If you disagree, please provide the evidence that would support any disagreement with the proposals.</b></p>	<p>Yes, in general.</p>
<p><b>Question 3: Do you have any comments on the proposed licence conditions?</b></p>	<p>No</p>
<p><b>Question 4: Do you have any comments on the proposed list of equipment and associated conditions?</b></p>	<p>Yes. The equipment list should include Part Numbers / Model Details / Version Numbers of equipment and not serial numbers of equipment allowing Operators to use/hold several items of the same type. The process to amend the equipment list of an existing license needs to be structured so it is quick and not a burden to operators and/or OFCOM.</p>
<p><b>Question 5: Do you agree with Ofcom's assessment on whether to introduce UAS operator licences? If you disagree, please provide further information.</b></p>	<p>Yes, in general.</p>
