

# List of regulated television selection services (RTSS)

Sections 362AF(1)(a) and 402(3) of the Communications Act 2003 (as amended by the Media Act 2024) empower the Secretary of State to make regulations to designate television selection services (TSS) as regulated television selection services (RTSS). Following the publication of our report on the designation of TSS, the Secretary of State has exercised those powers to make the [Television Selection Services \(Designation\) Regulations 2026 \(S.I. 2006/531\)](#).

Under those regulations, the TSS known by the name in the first column of the table below provided by the person in the second column of the table are RTSS but only so far as the service is provided in connection with internet television equipment (defined in section 362AE(2) of the Communications Act 2003) first made available to members of the public in the United Kingdom on or after the date in the third column of the table.

| Name of the service              | Provider of the service                                                                                                                                                       | Internet television equipment first made available on or after |
