SMP services conditions (MCT and 070)

NOTIFICATION UNDER SECTIONS 48 AND 79 OF THE COMMUNICATIONS ACT 2003 (“Notification”)

Notification of the identification of markets, the making of market power determinations and the setting of SMP services conditions in relation to wholesale mobile and 070 call termination applying to specified communications providers under section 45 of the Communications Act 2003

1. On 30 March 2021, Ofcom published a statement entitled “[Wholesale Voice Markets Review 2021-26](#)” (the “**2021 Voice Statement**”). The 2021 Voice Statement set out Ofcom’s conclusions on its review of specified markets, including the markets for wholesale mobile and 070 call termination.
2. At [Annex 5](#) to the 2021 Voice Statement, Ofcom published a notification under sections 48(1) and 79(4) of the Communications Act 2003 (the “**Act**”) containing its market identifications, market power determinations and the setting of SMP conditions to be applied to specified communications providers.
3. On 18 July 2025, Ofcom published a consultation document entitled “[Reviews of Call Termination Markets and End-to-End Connectivity Condition](#)” (the “**2025 Consultation**”). In the 2025 Consultation Ofcom consulted on new proposals to identify markets, make market power determinations and set and revoke market power SMP conditions applying to specified communications providers in relation to wholesale mobile and 070 call termination markets.
4. A copy of the 2025 Consultation was sent to the Secretary of State in accordance with sections 48C(1) and 81(1) of the Act.
5. The 2025 Consultation closed on 10 October 2025. Ofcom received several responses to its proposals set out in the 2025 Consultation and it has considered every such representation. The Secretary of State has not notified Ofcom of any international obligation of the United Kingdom for the purposes of those proposals.
6. Today, Ofcom is publishing its statement entitled “Reviews of Call Termination Markets and End-to-End Connectivity Condition” (the “**2026 Statement**”), which accompanies this Notification. In the 2026 Statement, Ofcom identifies markets in respect of which it makes market power determinations and sets new SMP conditions (in addition to revoking existing SMP conditions) applying to specified communications providers in relation to wholesale mobile and 070 call termination markets.

Decisions in relation to market identifications and market power determinations

7. Ofcom has identified 53 separate markets in the United Kingdom for wholesale mobile call termination services that are provided by each of the 53 persons named in Schedule 1 to this Notification to another communications provider, for the termination of voice calls to UK mobile numbers in the area served by that communications provider in the United Kingdom (each a “**wholesale mobile call termination market**”).
8. Ofcom is making a market power determination that each of the persons set out in Schedule 1 to this Notification has significant market power in relation to the wholesale mobile call termination market in which that person operates.
9. Ofcom has identified 57 separate markets in the United Kingdom for wholesale 070 call termination services that are provided by each of the 57 persons named in Schedule 2 to this Notification to another communications provider, for the termination of voice calls to 070 numbers in the area served by that communications provider in the United Kingdom (each a “**wholesale 070 call termination market**”).
10. Ofcom is making a market power determination that each of the persons set out in Schedule 2 to this Notification has significant market power in relation to the wholesale 070 call termination market in which that person operates.
11. For each of the persons identified in Schedules 1 and 2 to this Notification, the SMP designation is to be held with respect to the registered company identified and any of its subsidiaries or holding companies, or any subsidiary of such holding companies, all as defined by section 1159 of the Companies Act 2006, in so far as they operate as communications providers on the relevant market.
12. The effect of, and Ofcom’s reasons for, the decisions in relation to the identification of markets, and the making of market power determinations referred to above are set out in the 2026 Statement, which accompanies this Notification.

Decision to set and apply SMP services conditions

13. Ofcom is setting SMP conditions M1, M2 and M3 as set out in Schedule 3 to this Notification, on each person listed in Schedule 1 to this Notification. Ofcom has determined that these SMP conditions (M1, M2 and M3) shall apply, in the case of each of the persons listed in Schedule 1 on whom they are set, in respect of the wholesale mobile call termination market in which that person operates, to the extent specified in those conditions.
14. Ofcom is setting SMP condition M2, as set out in Schedule 3 to this Notification, on each person listed in Schedule 2 to this Notification. Ofcom has determined that this SMP condition (M2) shall apply, in the case of each of the persons listed in Schedule 2 on whom they are set, in respect of the wholesale 070 call termination market on which that person operates, to the extent specified in the condition.
15. Unless otherwise stated in Schedule 3, the SMP conditions set out in that Schedule shall take effect from 1 April 2026 and shall have effect until the publication of a notification under section 48(1) of the Act revoking such conditions. Section 4 of the Interpretation Act

1978 shall apply as if this setting of the SMP conditions were a commencement of an enactment by an Act of Parliament.

16. The effect of, and Ofcom's reasons for, the decisions in relation to the SMP conditions referred to in this Notification are set out in the 2026 Statement, which accompanies this Notification.

Decision to revoke SMP services conditions

17. With effect from 1 April 2026, Ofcom is revoking (to the extent still extant) the SMP conditions M1, M2 and M3 set out in Schedule 3 of the relevant notification in [Annex 5](#) to the 2021 Voice Statement (pages 129-133), which apply to each of the persons listed in Schedules 1 and 2 to that notification (pages 117-128).
18. Section 16 of the Interpretation Act 1978 shall apply as if these revocations were a repeal of an enactment by an Act of Parliament.

Ofcom's duties and legal tests

19. As mentioned above, the effect of, and Ofcom's reasons for, the decisions referred to in this Notification are set out in the 2026 Statement.
20. In identifying and analysing the markets referred to in this Notification, and in considering whether to make the corresponding decisions set out in this Notification, Ofcom has acted in accordance with section 79 of the Act and, where it has considered relevant, has had regard to EECC materials within the meaning of section 79(6) of the Act.
21. Ofcom considers that the SMP conditions set out in Schedule 3 to this Notification comply with the requirements of sections 45 to 47, 87 and 88 of the Act, as appropriate and relevant to each such SMP condition, and further that the revocations of the SMP conditions referred to above comply with the requirements of sections 48 and 48A of the Act as appropriate and relevant to them.
22. In making all of the decisions referred to in this Notification, Ofcom has considered and acted in accordance with its general duties set out in section 3 of the Act and the six requirements in section 4 of the Act. In accordance with section 4A of the Act, Ofcom has also taken account of recommendations issued by the European Commission under Article 19(1) of the Framework Directive as they appear to Ofcom to be relevant.
23. As required by section 2B(2) of the Act, Ofcom has also had regard to the Statement of Strategic Priorities in making the decisions referred to in this Notification. In accordance with the "growth duty" set out in section 108 of the Deregulation Act 2015, Ofcom has also considered the importance for the promotion of economic growth of carrying out this market review in a way which ensures that regulatory action is taken only when it is needed, and any action is taken only when it is needed, and any action taken is proportionate, having had regard to the "[Growth Duty: Statutory Guidance](#)".

Notification to the Secretary of State

24. A copy of this Notification and the 2026 Statement has been sent to the Secretary of State in accordance with sections 48C(1) and 81(1) of the Act.

Part 3 – SMP Conditions

Condition M1 – Network access on reasonable request

<p>M1.1 (MCT)</p>	<p>Where a third party reasonably requests in writing network access, the Dominant Provider must provide that network access.</p> <p>In this Condition, any reference to Condition M2 is only in so far as it applies in respect of Domestic Mobile Calls.</p>
<p>M1.2 (MCT)</p>	<p>Where Condition M2 or M3 below applies, the Dominant Provider shall provide network access in accordance with Condition M1.1 as soon as reasonably practicable and on fair and reasonable terms and conditions and on such terms and conditions as Ofcom may from time to time direct.</p> <p>In relation to charges, the Dominant Provider must comply with Conditions M2 and M3.</p>
<p>M1.3 (MCT)</p>	<p>Where Condition M2 or M3 does not apply, the Dominant Provider must provide network access in accordance with Condition M1.1 as soon as reasonably practicable and on fair and reasonable terms, conditions and charges and on such terms, conditions and charges as Ofcom may from time to time direct.</p>
<p>M1.4 (MCT)</p>	<p>The Dominant Provider must comply with any direction Ofcom may make from time to time under this Condition.</p>

Condition M2 – Charge control (070 calls and UK mobile calls)

<p>M2.1 (MCT and 070)</p>	<p>The Dominant Provider must ensure that for each Call on any day during any Relevant Period the Call Termination Charge (which shall be expressed in pence per minute) does not exceed the charge ceiling in Condition M2.2.</p>
--------------------------------------	--

<p>M2.2 (MCT and 070)</p>	<p>Except in so far as Ofcom may otherwise direct, the charge ceiling is:</p> <ul style="list-style-type: none"> a) for each Call on any day during the First Relevant Period, 0.487 pence per minute; b) for each Call on any day during the Second Relevant Period, 0.504 pence per minute; c) for each Call on any day during the Third Relevant Period, calculated by employing the formula $0.504 \times (100\% + \text{CPI}_1)$ expressed as being pence per minute and rounded to three decimal places; d) for each Call on any day during the Fourth Relevant Period, calculated by employing the formula $0.504 \times (100\% + \text{CPI}_1) \times (100\% + \text{CPI}_2)$ expressed as being pence per minute and rounded to three decimal places; e) for each Call on any day during the Fifth Relevant Period, calculated by employing the formula $0.504 \times (100\% + \text{CPI}_1) \times (100\% + \text{CPI}_2) \times (100\% + \text{CPI}_3)$ expressed as being pence per minute and rounded to three decimal places; and f) for each Call on any day during the Sixth Relevant Period, calculated by employing the formula $0.504 \times (100\% + \text{CPI}_1) \times (100\% + \text{CPI}_2) \times (100\% + \text{CPI}_3) \times (100\% + \text{CPI}_4)$ expressed as being pence per minute and rounded to three decimal places.
<p>M2.3 (MCT and 070)</p>	<p>Without prejudice to Ofcom’s statutory information gathering powers, the Dominant Provider must provide to Ofcom in writing at any time upon reasonable notice any information reasonably required by Ofcom for the Dominant Provider to demonstrate compliance with this Condition.</p>
<p>M2.4 (MCT and 070)</p>	<p>The Dominant Provider must comply with any direction Ofcom may make from time to time under this Condition.</p>

Condition M3 – Charge control (non-UK mobile calls)

<p>M3.1 (MCT)</p>	<p>The Dominant Provider must ensure that for each International Call on any day during any Relevant Period the International Call Termination Charge (which shall be expressed in pence per minute) does not exceed the Maximum International Call Termination Charge calculated in accordance with Condition M3.2.</p> <p>This Condition does not apply to any International Call which is regulated under The Trade (Mobile Roaming) Regulations 2023.</p>
<p>M3.2 (MCT)</p>	<p>Except in so far as Ofcom may otherwise direct, in respect of each International Communications Provider, the Maximum International Call Termination Charge is an amount expressed in pence per minute which is equal to:</p> <ul style="list-style-type: none"> a) the sum of the Dominant Provider’s Call Termination Charge and the Surcharge (where the Surcharge is a positive number); or

	<p>b) the Dominant Provider’s Call Termination Charge (where the Surcharge is a negative number).</p>
M3.3 (MCT)	<p>The Surcharge is the International Communications Provider’s Reciprocal Charge minus the Dominant Provider’s Call Termination Charge.</p> <p>The Surcharge shall be calculated on each of the following dates:</p> <ul style="list-style-type: none"> a) on 1 June 2026, 1 April 2027, 3 April 2028, 3 April 2029 and 1 April 2030; and b) as soon as reasonably practicable after the date of any change to the Reciprocal Charge.
M3.4 (MCT)	<p>For the purposes of Condition M3.3, Reciprocal Charge has the following meaning:</p> <ul style="list-style-type: none"> a) Where the International Communications Provider terminates voice calls to non-UK mobile numbers originated in the UK by the Dominant Provider, Reciprocal Charge means the rate which is: <ul style="list-style-type: none"> i) charged by the International Communications Provider, or mandated on it as the maximum rate chargeable (whichever is the higher), for terminating a voice call to a non-UK mobile number originated in the UK by the Dominant Provider; and ii) expressed in pence per minute, by applying the average of the relevant daily spot exchange rates against sterling published by the Bank of England over the 12 month period ending on the date of the calculation. b) Where the International Communications Provider does not terminate voice calls to non-UK mobile numbers originated in the UK by the Dominant Provider, Reciprocal Charge means the rate which: <ul style="list-style-type: none"> i) would be applicable to the International Communications Provider as the maximum rate chargeable for terminating a voice call to a non-UK mobile number originated in the UK by the Dominant Provider, should that provider terminate such voice calls; and ii) expressed in pence per minute, by applying the average of the relevant daily spot exchange rates against sterling published by the Bank of England over the 12 month period ending on the date of the calculation.
M3.5 (MCT)	<p>Without prejudice to Ofcom’s statutory information gathering powers, the Dominant Provider must provide to Ofcom in writing at any time upon reasonable notice any information reasonably required by Ofcom for the Dominant Provider to demonstrate compliance with this Condition.</p>

M3.6
(MCT)

The Dominant Provider must comply with any direction Ofcom may make from time to time under this Condition.
