Do you have any comments on our proposals?	<p>Just an input to Ofcom.'s Mission Statement, the BBC have a Mission/Strategy Statement which "fits the bill" to a tee, especially for those Broadcasters who have News Broadcasts as part of their schedule.</p> <p>"Trust is the foundation of BBC: we are independent, impartial and honest. Audiences are at the heart of everything we do."</p> <p>"We must therefore BALANCE our presumption of freedom of expression with our responsibilities, for example to respect privacy, to be fair, to avoid unjustifiable offence and to provide appropriate protection for our audiences from harm."</p> <p>May I reword:</p> <p>"Trust is the foundation of Ofcom: we are independent, impartial and honest. Everything we do, is for the benefit of People."</p> <p>"We must therefore BALANCE the presumption of freedom of expression with the responsibilities, for example to respect privacy, to be fair, to avoid unjustifiable offence and to provide appropriate protection for People from harm."</p> <p>Just a thought, Regards, John</p>
