Question	Your response
<p>Question 1: Do you agree with our assessment of each offer as set out in the consultation document?</p> <p>Please provide evidence in support of your views.</p>	<p>Yes. [X] agree with Ofcom's assessment. [X] can see nothing to indicate Openreach is directly targeting areas in which alternative networks are rolling out new fibre networks.</p>

Question 2: Do you agree that we should grant consent to each offer?

Please provide evidence in support of your views.

[X]’s view is that most alternative networks are currently being rolled out in areas with little or no access to Openreach FTTP. This is not exclusively the case but enough for [X] to believe that should Ofcom grant a consent in relation to these specific offers it would not impact alternative network roll out or competition.

[X] agrees that Ofcom should grant consent to each offer.
