

SCHEDULE

Direction under section 106(3) of the Communications Act 2003 applying the electronic communications code

Background

1. The Applicant has applied to Ofcom for a direction applying the Code to the Applicant.
2. The date on which Ofcom received a completed application that meets the statutory requirements with respect to the content of an application for a direction applying the Code and the manner in which such an application is to be made was 31 July 2018.
3. By virtue of regulation 3 of the Electronic Communications and Wireless Telegraphy Regulations 2011 (SI 2011 No. 1210), except in cases of expropriation, Ofcom must make its decision within 6 months of receiving the completed application.
4. Prior to giving a decision under section 106(3) of the Act to apply the Code to the Applicant, Ofcom must publish a notification of its proposal to give the direction and consider any representations about that proposal that are made to Ofcom within the period specified in the notification.
5. On 29 August 2018, Ofcom published, in accordance with section 107(6) of the Act, a notification of its proposal to give a direction applying the Code to the Applicant for the reasons set out in the consultation document accompanying that notification. That notification invited representations to Ofcom by no later than 5pm on 27 September 2018.
6. Ofcom has considered every representation about the proposal made to it. Ofcom received one response to the consultation, which had no concerns regarding Ofcom's proposal to grant the Code to the Applicant, but requested that all Code power operators should be legally obliged to still abide by the local planning legislations in place when carrying out works under the Code.

For the reasons set out in the explanatory statement accompanying this Direction, Ofcom has had regard, in particular, to each of the matters set out in section 107(4) of the Act. Furthermore, Ofcom has considered and acted in accordance with its general duties in section 3 of the Act and the six Community requirements in section 4 of the Act.
