	<p>Confidential? – No</p> <p>Do you agree that for the purposes of where locally-made programming may come from, Ofcom should approve the 'South of England (Bauer)' area in relation to the 12 local licences listed in Section 2 of this document? If you do not agree, please give reasons.</p> <p>I do not agree because, we would lose the very local nature of the broadcast. We have a local station to give us local news and reports. This will be lost if the changes go ahead. Our local DJ's live, help, inform and are part of the local community, which is where local radio should come from. Not from some large central anonymous broadcaster, who has little to no interest in local people and local items. Please keep local radio local.</p>
