

Your response

Question	Your response
Question 1: Do you anticipate this satellite network will pose coexistence challenges to existing services?	Confidential? Y As stated in the accompanying letter, KEPLER-NET-1 does pose coexistence challenges to existing services such as Starlink based on [REDACTED] harmful interference.
Question 2: Are the measures set out by the applicant to enable coexistence with future systems reasonable?	Confidential? N
Question 3: Do you assess that the measures put forward will allow this satellite network to coexist with other services?	Confidential? N
Question 4: Do you believe the NGSO system in the application would benefit or harm competition between NGSO services in the UK? Please provide details.	Confidential? N KEPLER-NET-1 has the potential to harm competition as a result of the coexistence challenges it poses to existing services as stated in Starlink's response to Question 1 and the accompanying letter.
Question 5: Do you have any additional concerns or comments regarding the application?	Confidential? N Please see the accompanying letter.
