

Consultation response form

Your response

Question	Your response
Question 1: Do you anticipate this NGSO gateway earth station will pose coexistence challenges to existing NGSO systems?	No response
Question 2: Are the measures set out by the applicant to enable coexistence with future NGSO systems reasonable?	No response
Question 3: Do you expect that granting this NGSO gateway licence would benefit or harm competition between NGSO services in the UK? Please provide details.	No response
Question 4: Do you have any additional concerns or comments regarding the application?	Yes, I am concerned it will interfere in either the visible or the radio spectrum with astronomers in the same way Starlink satellites do: https://www.bbc.co.uk/news/articles/cy4dnr8zemgo
Question 5: Do you agree with our assessment of the potential impact of our proposal on specific groups of persons?	No response
Question 6: Do you agree with our assessment of the potential impact of our proposal on the Welsh language?	No response
