Question 1: Should Panjab Radio London Limited be permitted to make its proposed changes to the Format of Turkish Gold Radio, with particular regard to the statutory criteria set out in Section 2 of this consultation document? (Section 106 (1A) of the 1990 Broadcasting Act, as amended, relating to Format changes):

Yes, Ofcom should allow the change of format

Additional comments:

Punjabi language is the third most spoken language in London, but we have no dedicated punjabi radio. The punjabi community would love to have a voice of their own.
