

Mr B Singh

Question 1: Should Panjab Radio London Limited be permitted to make its proposed changes to the Format of Turkish Gold Radio, with particular regard to the statutory criteria set out in Section 2 of this consultation document? (Section 106 (1A) of the 1990 Broadcasting Act, as amended, relating to Format changes):

YES - Punjabi Indian music and culture is an important part of British Society and Community Integration in the UK. The proposed changes offer a diverse and engaging way to connect with parts of society that are under represented in media. I therefore fully support the format changes so that a wider audience can be targeted in an inclusive manner.
