Question 1: Should Panjab Radio London Limited be permitted to make its proposed changes to the Format of Turkish Gold Radio, with particular regard to the statutory criteria set out in Section 2 of this consultation document? (Section 106 (1A) of the 1990 Broadcasting Act, as amended, relating to Format changes):

Yes it should be permitted to format changes as we require a Asian radio to service the new generation. people now are looking for things with a difference and this seems to be it. We want to be hearing an Asian radio with a difference in ours Cars which we don't have. I am an Asian business woman and would like to advertise / communicate with a young Asian team.
