**Question 1: Should Nation Radio Ltd be permitted to make its proposed changes to the Format of Nation Radio, with particular regard to the statutory criteria set out in Section 2 of this consultation document? (Section 106 (1A) of the 1990 Broadcasting Act, as amended, relating to Format changes).:**

No

**Additional comments:**

I don't think the proposed changes will benefit the wider community, because they seem to target only the male based community, which does not meet equal opportunities and actually excludes a high proportion of the current audience.
