Additional comments:

Question 1: Do you think that allowing Digital One to extend the coverage area of its national radio multiplex licence to include Northern Ireland would be calculated to maintain or promote the development of digital sound broadcasting in the UK otherwise than by satellite? Please explain the reasons for your view.:

Feel that should Northern Ireland be treated the same as other parts of the U K.

Question 2: Do you think that Digital One's proposals for providing coverage of Northern Ireland are satisfactory? Please explain the reasons for your view.:

YES YES YES IT IS NEEDED

Question 3: Do you consider that Digital One has the ability to maintain its national radio multiplex service if its request is granted? Please explain the reasons for your view.:

Yes. IT has proven for a number of years its ability and capability to do so

Question 4: (For programme service providers on the national radio multiplex, and the holder of the Northern Ireland local radio multiplex licence and its service providers only) Do you consider that there are sufficient safeguards in place to protect your rights and interests in the event that Digital One is permitted to extend coverage to include Northern Ireland?:

Question 5: Do you consider that there any other grounds on which Ofcom should approve, or not approve, the request from Digital One? Please explain the reasons for your view.:

I beleive that if Ofcom did not grant a licence toDigital One it would be tatamount to Racial diacrimanation
