

Question 4.1: Do you agree that the analysis set out in Section 4 and the supporting annexes which draws on our initial assessment in the December 2010 review, stakeholder comments and the further research undertaken in 2011, appropriately characterises the market , the market failures and the effects on consumers? If not please set out your alternative views:

Yes

Question 5.1: Do you have any comments on our Equality Impact Assessment? In particular do you agree with our view that our proposals for changes to non-geographic numbers are likely to have an overall positive impact on the equality groups identified in Annex 15?:

No

Question 9.1: Do you have any comments on our assessment, and in particular the additional evidence (gathered since the December 2010 Consultation) which we have used to support our assessment, on our provisional conclusion that the unbundled tariff should be applied to the revenue-sharing NGC number ranges?:

I support the proposal

Question 12.10: Do you consider there is a need to exempt business to business telephony contracts from some of the constraints of the unbundling regime? Is so what exemptions do you consider appropriate and why are they necessary (please give examples of the conflicts you would identify if exemptions are not provided). To which contracts should the exemptions apply and why?:

No because some small business customers are effectively domestic customers in their use

Question 16.1: Do you agree with our assessment of the options for the 080 range? In particular, do you agree with our preferred option of making 080 genuinely free to caller? If not, please explain why.:

I support this proposal
