Question 9: Are there any issues that you consider Ofcom should take into account in assessing the BBC's proposal, that have not been addressed by this consultation?:

The BBC should be about what the license payer want not what it or media companies want. You should completely ignore their opinions and decide purely upon the license payers. In fact, why on earth do we have to pay for the daft idiots who come out with this garbage?

Frankly, you should fine the BBC for even making this request. I mean, why on earth do I pay for a license that employs these idiots
