

**Question 1: Which of the three options do consultees favour, and why?:**

Option 2. It is the only way we can watch television - on the other channels - otherwise it's not accessible. Television makes little sense without AD.

**Question 2: Do consultees have any further suggestions for future access service provision? If so please provide the rationale for these suggestions:**

Would like all channels to have AD all the time, although I recognise this isn't practical.
