

Question 1: Which of the three options do consultees favour, and why?:

I favour option 2. My 14 year old daughter likes to watch the same TV as her friends and more AD would enable her to get more from the experience and fit in better with her peers

Question 2: Do consultees have any further suggestions for future access service provision? If so please provide the rationale for these suggestions:

If possible to increase AD to 100%
