

Question 1: Which of the three options do consultees favour, and why?:

OPTION 2

As a visually impaired person the more information I get about the program I am watching makes it so much more enjoyable. So the more programs with Audio Description will improve my viewing

Question 2: Do consultees have any further suggestions for future access service provision? If so please provide the rationale for these suggestions:

Comments:

Audio Description has been a Godsend to my TV viewing, especially the Soaps.
