

**Question 1: Which of the three options do consultees favour, and why?:**

20% audio description across all channels.

I am blind and audio description is necessary to follow programmes. I would like more as more programmes would have it especially nature, architecture and historical programmes.

**Question 2: Do consultees have any further suggestions for future access service provision? If so please provide the rationale for these suggestions:**

**Comments:**

RNIB member of staff assisted me in completing this form as I have no internet access.
