

**Question 1: Which of the three options do consultees favour, and why?:**

Option 2 because the more variety we have the nearer to independence we can get.

**Question 2: Do consultees have any further suggestions for future access service provision? If so please provide the rationale for these suggestions:**

I would one day hope to see it closer to 80% than 20% but understand this would probably be a long way down the line.
