

Question 1: Which of the three options do consultees favour, and why?:

Option 2. I am registered blind and audio description adds to my enjoyment and understanding of what is being broadcast.

Question 2: Do consultees have any further suggestions for future access service provision? If so please provide the rationale for these suggestions:

I believe that every attempt should be made to make all digital channels both audio and visual as accessible to as many people as possible as a means of inclusive enjoyment, education, and public information.
