

Question 1: Which of the three options do consultees favour, and why?:

2

Question 2: Do consultees have any further suggestions for future access service provision? If so please provide the rationale for these suggestions:

Audio describe appropriate content and not content that is easy and doesn't need describing

Comments:

AD has changed my watching of tv. More content is now very visually orientated and it has become more difficult to follow films, drama etc. AD has changed this dramatically
