

Question 1: Which of the three options do consultees favour, and why?:

Option 3 is my favoured response as these 10 PSB's cover all the channels that I am likely to want audio-described.

Question 2: Do consultees have any further suggestions for future access service provision? If so please provide the rationale for these suggestions:

Whilst any increase in audio description would be a bonus, I would much prefer this to be focussed on first time showings rather than repeats.
