

Question 1: Which of the three options do consultees favour, and why?:

Option 2

Question 2: Do consultees have any further suggestions for future access service provision? If so please provide the rationale for these suggestions:

Has noticed there is quite a lot of AD on nature documentaries. Perhaps there could be more on films - AD across more diverse programming? If I know that there is a film on that I've seen previously, I'm more inclined to see it as I can follow it more easily.
