

Question 1: Which of the three options do consultees favour, and why?:

Option.2.

Speaking personally and

as secretary of the local Visually Impaired User Group 'Audio Description' on television has enhanced the enjoyment for all those who are blind are partially sighted.

Question 2: Do consultees have any further suggestions for future access service provision? If so please provide the rationale for these suggestions:

A further increase in 'Audio Description' would be beneficial to all blind and partially sighted people.

Comments:

It would also be of benefit if ALL channels used 'AD'
