

**Question 1: Which of the three options do consultees favour, and why?:**

Option 2 because I am visually impaired and am a frequent user of audio description.

**Question 2: Do consultees have any further suggestions for future access service provision? If so please provide the rationale for these suggestions:**

It would be good to have more audio description in cinemas, especially in smaller, local cinemas.

It would be very useful to have a talking EPG.
