

**Question 1: Which of the three options do consultees favour, and why?:**

Option 2

Increase all channels to 20% required to provide access services because it makes such a difference to the enjoyment of programmes and enjoying programmes makes such a difference to engaging with other people and having things in common and to talk about.

**Question 2: Do consultees have any further suggestions for future access service provision? If so please provide the rationale for these suggestions:**

Increase the number of providers who have to provide audio access and increase the amount to 40% or more.

Encourage more audio description in theatres as well as cinemas

**Comments:**
