

Question 1: Which of the three options do consultees favour, and why?:

Option 2

Question 2: Do consultees have any further suggestions for future access service provision? If so please provide the rationale for these suggestions:

Comments:

As a totally Blind person Audio Description has enhanced my enjoyment of programmes including A.D beyond belief. I now can "watch" a programme in a similar way to my sighted counterparts which is surely how it should be if possible.
