

**Q1 Do you agree with Ofcom's view that the proposed non-emergency healthcare service represents a justified use of a three-digit number? Please give reasons for your views. :**

Yes I agree there should be a quick number

**Q2 Do you agree with the DHs view that:**

**A) a three-digit number is the best choice for the proposed service and  
B) of the three-digit numbers available, 111 is the best option?**

**Please give reasons for your views. :**

No I think it should be a 4 digit number

The 111 number is too close to the alternative emergency number of 112 which is used I believe on the continent but also in parts of the UK as an alternative to 999 particularly on mobile phones.

**Q3 What are your views on the tariff options selected by the DH? :**

None

**Q4 Do you have any comments on the proposed notification of modification to the Numbering Condition in Annex 8 of this document:**

None
