

**Q1 Do you agree with Ofcom's view that the proposed non-emergency healthcare service represents a justified use of a three-digit number? Please give reasons for your views. :**

yes i think it is important to have a separate telephone number for calls that may not need an ambulance but are still urgent.

**Q2 Do you agree with the DHs view that:**

**A) a three-digit number is the best choice for the proposed service and  
B) of the three-digit numbers available, 111 is the best option?**

**Please give reasons for your views. :**

yes i fully agree

again 111 is very easy to remember as is 999

that it is easy for everyone,

**Q4 Do you have any comments on the proposed notification of modification to the Numbering Condition in Annex 8 of this document:**

it would be a good idea if the prop was sent to local councils and they could forward the info via district councils, or to put it the press and the tv, asking for free publicity to do so.
