

**Q1 Do you agree with Ofcom's view that the proposed non-emergency healthcare service represents a justified use of a three-digit number? Please give reasons for your views. :**

Yes it is justified but it would be better to use EU wide number

**Q2 Do you agree with the DHs view that:**

**A) a three-digit number is the best choice for the proposed service and  
B) of the three-digit numbers available, 111 is the best option?**

**Please give reasons for your views. :**

A) No, I think we should use the same number that is going to be used across Europe.  
B) 111 is as good as any

**Q3 What are your views on the tariff options selected by the DH? :**

I think calls should be charged at the normal rate, or there should be a fixed charge per call.  
10p seems a little cheap.

**Q4 Do you have any comments on the proposed notification of modification to the Numbering Condition in Annex 8 of this document:**

No
